"I WANT TO STAY ON"

"Stop The World: I Want To Get Off," is the title of a Broadway play. You may have heard the story about the man who was dissuaded from ending his life by jumping off a bridge by an understanding policeman. The officer listened to his problems for ten minutes, so the story goes; then, they both jumped off the bridge. The show title and the story both reflect the common impression that most things are wrong with our world.

Very few newspapers carry the headline: "Peace and Quiet Rule Community," when, in fact, this is true in most communities most of the time. Newspapers and magazines which publish many such positive stories on the front pages are soon in financial difficulty because we, as readers and subscribers, insist on reading about the extraordinary, usually violent, things which happen.

Things are much better than they may seem. The possibility exists for each of us to earn a purposeful, happy, and successful life. We live in the richest part of a wealthy state; we enjoy liberty under law. People willingly pay substantial taxes to support free education through high school and pay part of the cost of higher education in municipal and state universities. There are jobs for those who prepare for them. We are enabled to learn cooperation with each other while in school and avoid the hardship which usually results from lack of it. Cooperation is the basic law of our lives today. Our food, clothing, and shelter are produced, processed, and transported to us by cooperating strangers in return for the money earned by some member of our family who is working to produce goods or services for others. It would be next to impossible to live completely alone and independently of all others; very few, except hermits, are interested in trying this kind of life. We enjoy a friendly school environment which includes opportunities for achievement in many curricular and extracurricular activities because of the willing cooperation with which we work with one another. This fine WILDCAT is but one evidence of what can be accomplished when people work together as subscribers and staff members.

I trust each of us is happy to stay on the earth for the years which are ours to grow in maturity and unselfishness and in the determination to give to the world a little more than we take from it.

In Memoriam

We are inspired by an inspiring life
We are enriched by a rewarding teacher

FELIX LATONA

Firm and fair,
Full of the joy of life,
Proud of his heritage,
Concerned about people,
Loyal to his own,
Making much from little,

Felix Latona, our teacher-coach--colleague and friend will be sorely missed by boy--student--man--friend --and profession.

DEDICATION

The Wildcat staff of 1964 proudly dedicates the yearbook to Mrs. Bernice Blickle. Her tireless efforts as school treasurer and Youth For Christ advisor have made her a friend to both students and faculty . . . Serving as treasurer, Mrs. Blickle handles the money for clubs, athletics and various school funds . . . Being a business officer of the school does not stop her from supporting the school by attendance at both basketball and football games . . . Mrs. Blickle's service and warm interests toward all have made her a true Wildcat.

Many old records fell to the onslaught of the most outstanding group of swimmers ever to come to Central. This was proved by the setting of many new school marks. The first to enter the books this year was co-captain Bill Wyatt, a senior who broke the old records for the 100 yard breastroke, the 200 yard individual medley, and the 100 yard butterfly. The other co-captain and also a senior was Cliff Gates, who set new marks in the 50 and 100 yard free styles. One group effort was the setting of a new medley relay record by junior Ronnie Green, and seniors George Spratt, Bill Wyatt, and Cliff Gates. Coach Gross was enthused by the ability showed by some of the new prospects.

Although Centrals cagers had a slow start this season, expert coaching and good team spirit earned them second place in the City Series running and top berth in the Class AA Sectional Tournament. This was due to the outstanding efforts of All City and All District senior forward, Larry "Goose" Davidson who averaged 22 points per game, senior forward, Carl Griffen, who received Honorable Mention in the City, and All District third team, senior guard, Dwight Greer, an Honorable Mention in the Summit County, and sophomore center, Claude Virden, and junior guard, Dave Lewis.

Backing up the first five were Seniors, Pete McCormack, Chuck Marquess, Louis Johnson, and Dennis Adkins, also juniors Dick Rudgers, Wes Chrapko, Albert Cook, and Jerry McKinnie, who came up late in the season to help Central into the play-offs. Major victories came against Hower, St. Vincent, Kenmore, North and South.

Central once again was able to use its home floor, the boys' gym, but larger games such as East Tech, Cuyahoga Falls, and Garfield were played at Memorial Hall.

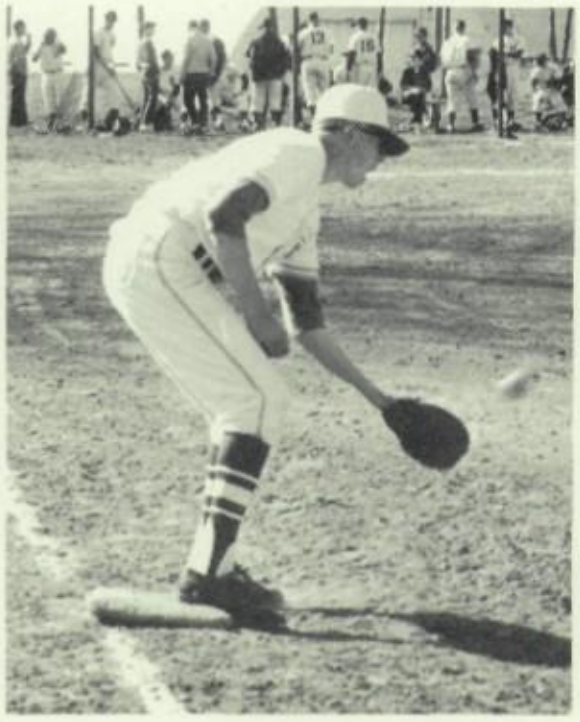
WILDCAT

BACK ROW, L. to R.: J. Oberholtz Mgr., J. Snyder, R. Brown, K. Thomas, D. Rudgers, J. Donnelly, Coach F. Maligio. FRONT ROW: T. Pepper, B. Wyatt, C. Rakich, W. Chrapko, R. Snyder, W. Pickens, J. Utterback.

Last season a green young team of boys new to Central and coach Maligio gained valuable experience in varsity competition. There were four boys who gained All-City recognition. Jim Utterback was the number one pitcher on the team. Jim Donnelly, one of the good hitters on the team, played outfield, catcher, and pitcher. Carl Rakich played second base and was the quick thinking playmaker of the team. Tom Pepper playing left field and was one of the best sophomores in the city. Also in the starting lineup was capt. Ronnie Snyder who played shortstop and had been on the team for three years. In the outfield was a sure hitter, Kenny Thomas, and a fast base runner, Bill Wyatt. The fast fielding sophomore, who played third base and any other position was Wesley Chrapko. Dick Rudgers, one of the long ball hitters of the team, played first base. Another returning letterman was Wayne Pickens who was the catcher for the first part of the season.

BASEBALL

The B baseball team had a good season last year ending up with an overall record of 10 wins and 4 losses. The team had a great offensive attack with five boys batting over .300; Mark Wyatt, Barry Keith, Bob Hengle, Bill Bell, and Dave Long. Dave ended up with a .405 average. The overall team average was .286 which is very good. Defensively, they had an earned run average of only 2.58. Gary Baker was the leading pitcher with 4 wins and 1 loss and had an earned run average of only 1.91 with 35 strikeouts. John Grey did a good job at short stop and learned the position in only a year. Bob Scianna played third base and also saw varsity action. Jim Becket showed great promise at second base when he took over near the end of the year. Bob Hengle also filled in at second base and shortstop when needed.



BACK ROW, L. to R.: M. Wyatt, B. Keith, D. Dugger, J. Frazee, G. Baker, B. Scianna, G. Lundstrom. FRONT ROW: B. Bell, R. Hengle, E. Harris, E. Engler, R. Kinney, T. Beckett.

Central Track

Central's track team ended its season by defeating Hower by 30 points, making its record 1-8. Senior Marvin Cook set a new school record in the running broad jump at the City Track Meet, where he soared to 22',22", better than the previous 21'11" mark. Rich and Turner broke nearly every Central hurdle record. He was high-point man also. Coach rates him second best high school hurdler in Ohio.

Ken Beckley went 11'4" for a record in the pole vault and was 3rd in the City meet. Coach Ray Gross stated, "The only thing we lacked this season was sufficient depth." Considering the youth of the squad and its inexperience, we did not fare so badly.

BACK ROW, L. to R.: Mr. Gross, coach, J. Iglehart, D. Lewis, G. Redman, F. Drummond, J. Harris, C. Gates, E. Roberts, R. Turner, K. Buttler, A. Simone, K. Beckley, J. McKinney, C. Cunningham, W. Evans, 2nd ROW: M. VanDerlin, E. Jackson, D. Miller, K Kendricks, R. Christian, M. Averitte, M. Clay, M. Moss, G. Powell, FRONT ROW: T. Feaster, M. Cook, H. White, L. Rush, E. Hooks, B. Cook.

CROSS COUNTRY

BACK ROW, L. to R.: M. Wilson, B. Helsley, B. Stiles, D. Miller, V. Smith, Coach Siegferth, M. VanDerlin, D. Long, C. Mick, M. Wheeler, L. Rush, T. Pepper, FRONT ROW: G. Powell, L. Ruffin, W. Stratton, A. Kirbawy, R. Cason, G. Caldwell, B. Harris, B. Cook, R. Mercer, A. Henson.

Central's cross country team ended its season with a record of three wins and eight losses. Coach Seigferth's crew had eight returning lettermen on its roster. These returners were seniors Myron VanDerlin, David Miller, Alvin Kirbawy, Bob Heltsley, Blaine Cook, Alan Henson, Gary Powell, and junior Leon Rush. Most consistent two-milers were Miller, VanDerlin, and Rush, also Lance Ruffin, Melvin Wheeler, and Bill Stiles. In the City Meet the Wildcats placed eighth. Competing against 21 other district schools, Central runners finished 19th.

Rick,
so nice
sweetest, kindest
most wonderful
guy in the world.
The only boy in my life
now and forever! Thankyou
for all of these wonderful times
we've had!
and please never stop
caring for me the way I care for
you! Stay the same forever more!
(You told me to use the whole
page and I'm going to!) and I'm
glad you didn't throw me out out
of that carton! Remember
we'll go far! Love (as always)
(your pal)
Terrie
